Multiplication Using Arrays

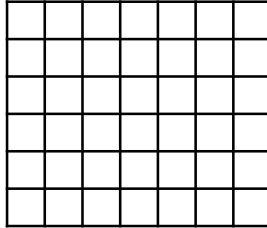

Color the rows and columns to match the two numbers being multiplied. Then, count the squares to find the answer!

2×6

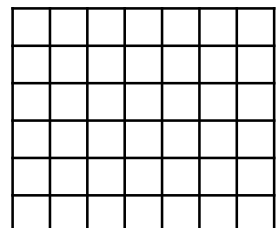

$2 \times 6 = \underline{\quad}$

4×5

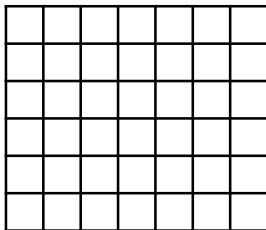

$4 \times 5 = \underline{\quad}$

3×6

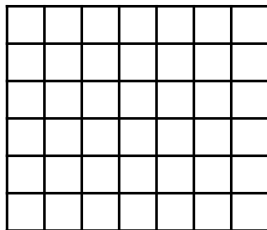

$3 \times 6 = \underline{\quad}$

3×3

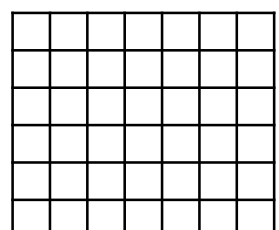

$3 \times 3 = \underline{\quad}$

5×2

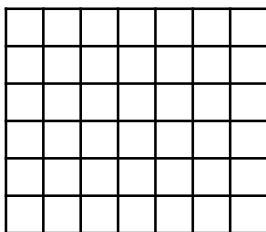

$5 \times 2 = \underline{\quad}$

4×4

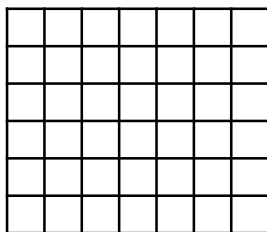

$7 \times 2 = \underline{\quad}$

6×5

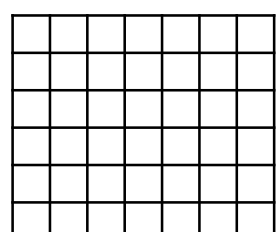

$6 \times 5 = \underline{\quad}$

2×3

$2 \times 3 = \underline{\quad}$

5×5

$5 \times 5 = \underline{\quad}$
