# Step Right Up!: Finding Area and Perimeter

Step right up, it's time to play! Find the area and perimeter today! Measure each attraction and write what you see. Label your units carefully!

|              | Perimeter<br>(m) | Area<br>(m <sup>2</sup> ) |
|--------------|------------------|---------------------------|
| Bumper Cars  |                  |                           |
| Ferris Wheel |                  |                           |
| Ticket Booth |                  |                           |
| Big Top Tent |                  |                           |

|                | Perimeter<br>(m) | Area<br>(m <sup>2</sup> ) |
|----------------|------------------|---------------------------|
| Food Stands    |                  |                           |
| Livestock      |                  |                           |
| Game Arcade    |                  |                           |
| Balloon Artist |                  |                           |
