Multiplication with Equal Groups

Count the equal groups. Write a repeated addition sentence and a multiplication equation.

3 groups of 2 cookies each

$$= \underline{2} + \underline{2} + \underline{2}$$

$$= \underline{3} \times \underline{2}$$

$$= \underline{6}$$

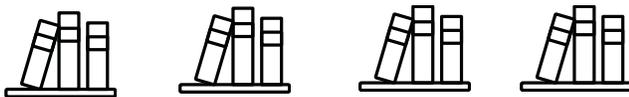

2 groups of 6 cupcakes each

$$= \underline{6} + \underline{6}$$

$$= \underline{2} \times \underline{6}$$

$$= \underline{12}$$

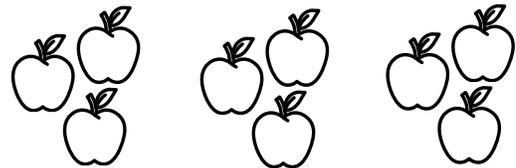

4 groups of 3 books each

$$= \underline{3} + \underline{3} + \underline{3} + \underline{3}$$

$$= \underline{4} \times \underline{3}$$

$$= \underline{12}$$

3 groups of 3 apples each

$$= \underline{3} + \underline{3} + \underline{3}$$

$$= \underline{3} \times \underline{3}$$

$$= \underline{9}$$
